

# Bioavailable minerals

# G-PLEX<sup>®</sup> product line

Highly bioavailable microelement chelates

G-PLEX<sup>®</sup> Copper

G-PLEX<sup>®</sup> Zinc

G-PLEX<sup>®</sup> Manganese

G-PLEX<sup>®</sup> Multi  
Contains Cu, Zn ,Mn

Advantages of feeding G-PLEX<sup>®</sup> metals

- Prevents microelement deficiency
- High chelation degree: 99 %
- High metal content: 24 %
- Outstanding absorption
