

3D-BRUSHED 1000

Art.Nr. 160

3D-brushed, oxidative natural oiled

Wood species: Hungarian oak from sustainably managed, state-owned forests

ASSORTMENT

RUSTIC

A very lively assortment. Due to the colourfulness and diverse structure of natural wood this quality grade gives a real rustic effect.

NATURE

A slightly quieter assortment. This quality grade preserves the genuineness of wood while showing a more relaxed and uniform picture than the rustic one.

SELECT

Slight variation in colour and structure are showing the finest selection. The solid wood wall panel presents itself uniform and quiet at the highest level.

CERTIFICATIONS
