ASSORTMENTS*

Rustic

A very lively assortment. Due to the colourfulness and diverse structure of natural wood this quality grade gives a real rustic effect.

Nature

A slightly quieter assortment. This quality grade preserves the genuineness of wood while showing a more relaxed and uniform picture than the rustic one.

Select

Slight variation in colour and structure are showing the finest selection. The solid wood flooring presents itself uniform and quiet at the highest level.

* In case of some specific products only Nature-Rustic Mix or Nature-Select Mix is available.
