INFORMATION
REGARDING THE USE OF CCTV CAMERAS

Dear Visitor!

Please be advised that our company operates an electronic surveillance system in the areas marked with this sign. The purpose of this system is to protect human life, physical safety, personal freedom, trade secrets, and property. The system is capable of recording and storing both video and audio footage.
Your behavior may also be recorded by the cameras.
The legal basis for this data processing is your voluntary consent. By entering the monitored area despite this notice, your consent to the recording of video footage will be deemed as granted. If you do not wish to give your consent, please do not enter the monitored area.

Location of data storage: IT room, ground floor of the hotel
Retention period: 3 working days
System operator: Geotherm Üdülő Kft.
Persons authorized to access the data: Managing Director, operational staff

Your rights and the process of exercising them are defined by Act CXII of 2011 on the Right to Informational Self-Determination and Freedom of Information. According to this law, you may request information about this data processing, request correction, deletion, or restriction of your data, object to the processing of your personal data, and in case of a violation of your rights, you may file a complaint with the court and claim compensation or damages.
For further details, please refer to the full text of the law, available at:
