

Safety rules (Spa)

1. Maintain a safety distance of 1.5 m from each other, both at the reception line and in the room and in group workouts, except for those living in a household and for conjugate groups.
2. We would ask guests coming together, that only 1 person of the family or group should stand in the line.
3. When paying, please give preference to card payment.
4. It is mandatory to use a disinfectant when entering the reception.
5. Avoid physical contact.
6. Please pay close attention to hand hygiene during your stay. Wash your hands regularly.
7. The maximum number of people has been set in each toilette of the spa, please pay attention to the relevant information. (maximum 6 people)
8. Please take a shower before and after entering the pool.
9. In our spa, compliance with the rules is constantly monitored by our colleagues. In order to bathe you and other guests safely, please follow the policies and the prescribed safety rules.
