

Menu

A sophisticated hotel can only have an excellent restaurant.

The selection of Hotel Silver's kitchen includes dishes of healthy eating, specialties of Hungarian kitchen, and delicacies of foreign gastronomy.

To prepare our meals, we prefer fresh and high-quality meat, vegetables, fruits and fish produced by Silver Major.

On the menu, seasonality and modern kitchen technology based on traditions are at the forefront.

World champion Attila Gonda gold medal chef, master chef and his team offer a unique opportunity to meet gastronomy.

Good appetite!
